MEDIA RELEASE – HOLMEN AREA FIRE DEPARTMENT LAUNCHES NEW WEBSITE

Village of Holmen — The Holmen Area Fire Department (HAFD) has a renewed web presence after a hiatus from maintaining an official website. HAFD has partnered with Vision Design Group, Inc from Winona, MN to launch a new website.

The purpose of the new website is to keep the citizens and visitors of our HAFD communities informed through more accessible fire service-related information. As this is a renewed web presence, changes will be made to the website over the next several months.

For more information about the Holmen Area Fire Department and to view the website, please visit www.holmenfire.com, or contact Fire Chief Ryan Ostreng at (608) 526-9363.
